TRAINING AND WEBINARS

Child Care Aware is one of the most educational and trusted resources when it comes to learning about child care in the state of New Hampshire. This website (https://nh.childcareaware.org/training-and-webinars/) allows people to watch videos both live and post-recording. Due to the ongoing COVID-19 pandemic, some of the videos are geared towards that topic while some focus on other topics.

Song by Henry Wadsworth Longfellow

Stay, stay at home, my heart, and rest:
Homekeeping hearts are happiest,
For those that wander they know not where
Are full of trouble and full of care;
To stay at home is best.

Weary and homesick and distressed,
They wander east, they wander west,
And are baffled and beaten and blown about
By the winds of the wilderness of doubt;
to stay at home is best.

Then stay at home, my heart, and test;
The bird is safest in its nest;
Over all that flutter their wings and fly
A hawk is hovering in the sky;
To stay at home is best.

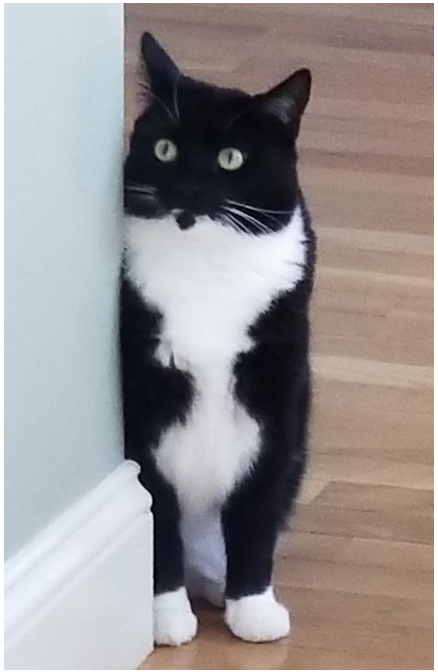

I guess when Henry Wadsworth Longfellow wrote this he wasn't living through COVID 19!!!!! - Sent in by Cynthia

CATS OF COMMUNITY CROSSROADS

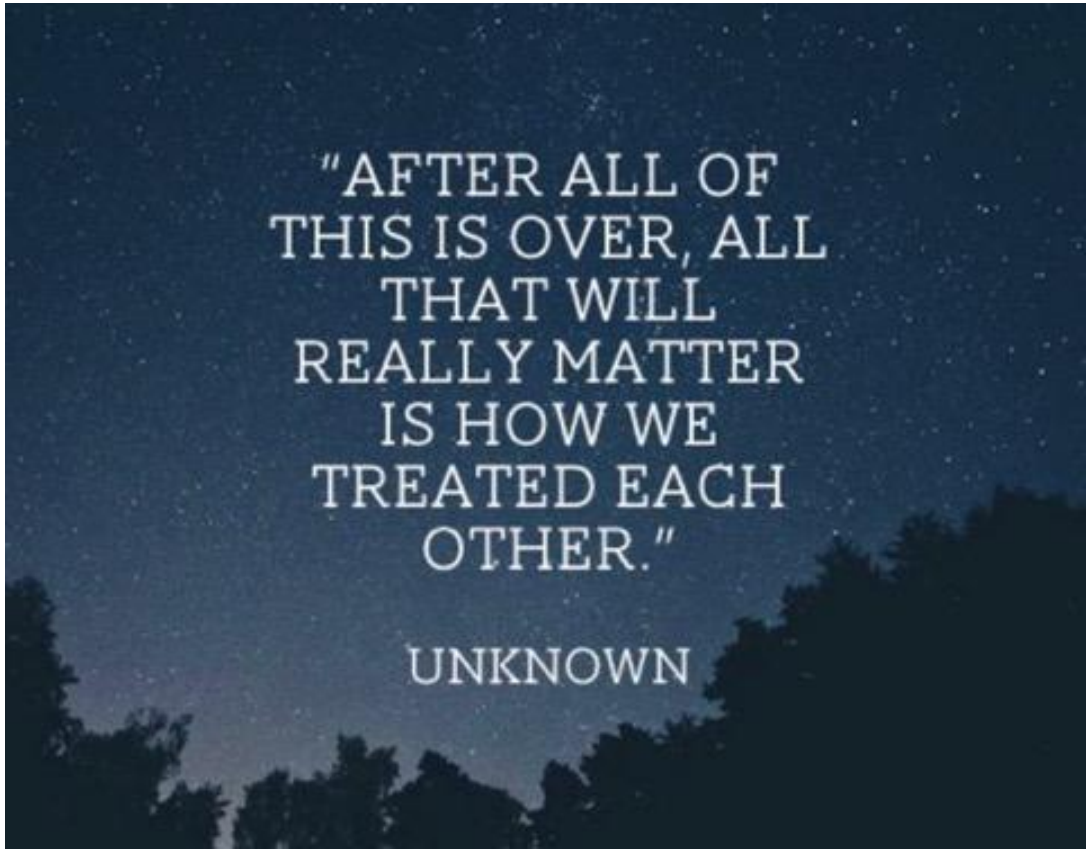

Meet Teddy, Crystal Napoli's cat. Crystal notes he is a little tired of the humans being home!

Meet Bella, Bonnie's 11 year old rescue cat!

Meet Eve, Brytani Brown's 5 year old rescued Barn kitten. This is Eve's glamour shot and Brytani notes that her cat is incredibly spoiled. She does live with an epilepsy diagnosis and has been nearly 2 years seizure free!

"AFTER ALL OF
THIS IS OVER, ALL
THAT WILL
REALLY MATTER
IS HOW WE
TREATED EACH
OTHER."
