ACTIVELY SERVING - OUR FUNDRAISING COMMITMENT

$74,874

in fundraising dollars granted to families in fiscal year 2019

Our fundraising dollars help give individuals and families the opportunity to participate in activities that will help them both educationally and socially.

For example, our fundraising dollars have allowed Luke to participate in archery lessons.

"We Serve"

Community Crossroads would like to give a tremendous thank you to many of our great sponsors. As many of you know, we will not be holding our 2020 Silent Auction. Many of these sponsors, such as Pentucket Bank, Salem NH Lions Club, Kimi Nichols Center and Reliant Auto Repair have allowed us to retain the sponsorship in support of our Fundraising Grant Program. 100% of the donations go directly to help individuals with developmental and other disabilities as well as their families/caregivers live a meaningful life. We are truly thankful for the support and partnership from these organizations!
